

ElectroMart Inc. — Annual Sales Report 2025

This report summarizes the annual sales performance of ElectroMart Inc. for fiscal year 2025 across all four product categories: Cables, Switches, Sockets, and Circuit Breakers. All figures are in USD.

1. Executive Summary

Total annual sales for 2025 reached **\$2,203,400**. Sales grew consistently each quarter: Q1 \$488,400, Q2 \$524,450, Q3 \$568,350, and Q4 \$622,200. Quarter-over-quarter growth was driven primarily by smart home products (WiFi switches, sockets, and circuit breakers) and solar installation components, reflecting strong market demand for energy-efficient and connected solutions.

2. Quarterly Sales Overview

Quarter	Total Sales (USD)
Q1	\$488,400
Q2	\$524,450
Q3	\$568,350
Q4	\$622,200
Annual Total	\$2,203,400

3. Sales by Product Category

Category	Annual Sales (USD)	Share
Cable	\$866,800	39.3%
Circuit Breaker	\$527,650	23.9%
Socket	\$453,700	20.6%
Switch	\$355,250	16.1%

Cables remained the largest category, accounting for nearly 40 percent of annual revenue, led by structured cabling products (CAT6 and CAT6A). Circuit Breakers ranked second, supported by strong demand for residual current devices and surge protection.

4. Top 5 Best-Selling Products

Product ID	Description	Annual Sales (USD)
E004	CAT6 Ethernet Cable (305m Box)	\$185,500
E005	CAT6A Shielded Cable (305m Box)	\$128,000
E002	4mm NYA Copper Cable (100m)	\$126,000
E001	2.5mm NYA Copper Cable (100m)	\$103,000
E033	RCD Residual Current Device 2P 40A 30mA	\$92,300

5. Fastest Growing Products (Q1 → Q4)

Product ID	Description	Growth
E040	DC Circuit Breaker 2P 32A (Solar)	+104.3%
E008	Solar DC Cable 6mm (100m)	+93.3%
E038	Smart WiFi Circuit Breaker 1P 25A	+89.5%
E027	Smart WiFi Socket with Energy Monitor	+74.1%
E015	Smart WiFi Switch (Single)	+62.4%

Solar-related products (DC circuit breakers and solar DC cables) more than doubled from Q1 to Q4, while the Smart WiFi product line grew between 62 and 90 percent, confirming the company's strategic focus on renewable energy and smart home segments.

6. Underperforming Products

Product ID	Description	Annual Sales (USD)
E029	Shaver Socket 115/230V	\$7,300
E020	Pull Cord Ceiling Switch	\$7,850
E039	Fuse Carrier with 10A Fuse	\$10,750

Legacy products such as the pull cord ceiling switch and the shaver socket showed declining quarterly sales and are candidates for phase-out in 2026. The 2026 outlook projects 15 percent overall growth, concentrated in the smart home and solar categories.
